HELLO STUDENT NURSES!

The purpose of the Ohio Student Nurses Association (OhsNA) is to serve as a point of reference for student nurses across the state of Ohio. With that being said, the Board of Directors will send monthly communications keeping students up to date on current events and pertinent information.

WE'RE READY FOR YOU!

During the month of January, the OhsNA Board of Directors gathered together for the annual OhsNA Board of Directors Retreat. In this congregation, the Board collaborated on plans for the rest of 2024, including the OhsNA Annual Convention that will be held later this year. We are so excited to further share our plans with you in the upcoming months!
